

'Straight from Berlin'

March 26, 2014

Berlin is one of the hottest art scenes on the planet. For the first exhibition in its newly expanded space — the gallery has doubled in size — Ruiz-Healy Art presents “Straight from Berlin: Paintings and Works on Paper by Uwe Kowski and Jörg Herold.” It's an opportunity for San Antonio art aficionados to see works by two prominent German artists, born in what was East Germany and associated with the New Leipzig School. Kowski and Herold are represented in many international collections, including the Museum of Modern Art and the Deutsche Bank Collection.
