Opening Reception Friday, September 15, 2017 | 6 - 8pm

Ruiz-Healy Art is pleased to present *Chuck in Context*, a special exhibition, which honors the significant survey of Chuck Ramirez's works opening at the McNay Art Museum, *Chuck Ramirez: All This and Heaven Too*. The exhibits will open concurrently with Ruiz-Healy Art's reception held on Friday, September 15, 2017 from 6:00 – 8:00pm.

A percentage of the sales from *Chuck in Context* will benefit Casa Chuck, a residency program for critics, curators, and writers housed in the artist's former residence. This exhibition is also presented in conjunction with FOTOSEPTIEMBRE USA, an International Photography Festival.

As the exclusive representative for the estate of Chuck Ramirez, Ruiz-Healy Art is proud to keep the artist's memory and archives preserved for future generations. This exhibition, *Chuck in Context*, focuses on the text-based works by Ramirez—including the *Words* series, which has never been shown in its entirety previously.

In addition to photography, Ramirez had a strong background in graphic design and was also involved with the world of contemporary poetry, painting and music. Ramirez was a poet at heart and became a word designer. For Ramirez, the visual impact of text was an important part of his oeuvre and it represented another outlet to his creative spirit.

*Words*, a series Ramirez produced in 2004, are disparate photographs emblazoned with a single word that the photo illustrates. Over lucha libre figurines appears *LIBRE*; a masculine face under a platinum wig is emblazoned with *QUEEN*, a blurred television
