

# RUIZ-HEALY ART

Latinx, Latin America, & Texas Contemporary Art

## Museum Acquisitions

Ruiz-Healy Art is honored to announce the acquisition of the following works into the permanent collections of major museums across the United States. These acquisitions are milestones for Ruiz-Healy Art and our mission to promote the work of Texas-based, Latinx, and Latin American artists. We are full of gratitude for our amazing roster of artists, patrons, writers, curators, employees, and countless more who have made this achievement possible.
